Re: Salyersville Water Commission

Dear Mr. Greenwell:

During a recent review of its water purchase contracts with Magoffin County Water District, the Salyersville Water Commission discovered a contract amendment that had not been filed with the Kentucky Public Service Commission. In accordance with the Commission's Order of August 10, 1994 in Administrative Case No. 351, a copy of the contract amendment executed on September 20, 2000 between Salyersville Water Commission and Magoffin County Water District is enclosed for filing.

Please direct any inquiries regarding this document to me.

Very truly yours,

Stoll Keenon Ogden PLLC
